## **CENTRAL COAST Inc.**

---

31<sup>st</sup> August 2021

Players and Officials  
Central Coast Snooker and Billiards Clubs

Dear Members,

The advice of government and health authorities regarding precautions and restrictions required for Covid-19 continues to be monitored by the Board.

At its most recent meeting, the Board of Snooker and Billiards Central Coast resolved that the suspension of all competitions will continue until further notice. Once play is able to resume, the intention is to complete the current competitions.

The duration and type of restrictions and precautions necessary for Covid-19 are also likely to affect our Annual General Meeting. The AGM is usually held in November each year however a date and venue cannot yet be organised. Notice of the next AGM, papers and calls for nominations will be distributed as soon as holding the AGM becomes feasible.

Yours sincerely

Geoffrey Kidd  
Secretary / Director  
on behalf of the Board  
Snooker & Billiards Central Coast Inc.

***Issued 31 August 2021 by direction of the Board of Snooker & Billiards Central Coast.***
