

Important Notice - Changes to Membership Fees

Changes to the 2018/19 membership fee structure were communicated to members at the latest Members Meeting - held at Davistown RSL dated 17th May 2018.

All clubs were represented, however there was some confusion and perhaps some misconception as to what and how these changes will affect you, our members.

Following on from the adoption of our new Constitution, SBCC is now required to operate on a financial year basis (1 July – 30 June), as opposed to our previously using a calendar year, which has naturally resulted in a change of timing as to when membership fees will now fall due. The Board has therefore taken the opportunity to review all aspects relating to membership, including the level of support for the many Individual Championships that run throughout the year.

As a result, and to hopefully encourage greater member support for these events, the following changes will become effective from 1st July 2018 onwards:

Teams Competition: No change to team or game fees

Individual Championships: Current Fee: \$10.00 per event New Fee: **NO CHARGE**

C Grade Billiards	C Grade Snooker	B Grade Billiards	B Grade Snooker
AM Billiards	AM Snooker	6 Red Snooker	Lightning Billiards
Open Snooker	Open Billiards	Peter Norgard	PYP Doubles

Membership Fees: **NOTE - All fees are for a full 12 month period, covering 1 July – 30 June**

Competition	(full playing member)	Fee payable:	\$30.00
Qualified Referee	(full playing member)	Fee payable:	\$20.00
Concessional/Pension	(full playing member)	Fee payable:	\$20.00
Basic	(non-playing member)	Fee payable:	\$10.00
Junior	(full playing member)	Fee payable:	\$10.00

Club delegates will shortly be issued with new membership application forms (applicable from 1st July), which must be completed in full by all players involved in current team competitions.

NOTE: Club Presidents will be responsible for confirming the correctness of all details prior to the new membership forms being submitted to SBCC for acceptance.
